Welcoming all green-minded people and those who want to be “green”
Have fun, meet people, eat, drink and get inspired.

Cars of the Future - What’s out there?

6 p.m., Wednesday, Sept. 14
Kankakee River North
(Formerly Sully’s) 555 S. West Ave., Kankakee

Menu items and drinks will be available for purchase.

Learn about the latest alternative vehicles from local car dealers in an informal, social setting. Hear brief presentations from technical representatives from:
Brown & Brown Chevrolet – Hyundai, Inc.  •  Court Street Ford  •  Hove Buick Nissan, Inc.

About World Famous Green Drinks
Join us in this new adventure!

Green Drinks is an opportunity for “green-minded” people to meet informally in a relaxed setting to exchange ideas and network. Green Drinks is happening in more than 84 countries and 806 cities, including all 50 states. Visit www.greendrinks.org to learn more.

The event is sponsored by the Council for Community Sustainability, a public outreach group created as part of Kankakee Community College’s sustainability initiative.

For more information, contact Rich Schultz, KCC’s Sustainability Coordinator at 815-802-8243.
