Dear President Weber:

Enclosed is the report of the team that conducted the Kankakee Community College Quality Checkup site visit. In addition to communicating the team's evaluation of your compliance with the Commission's Criteria for Accreditation and with the Commission's Federal Compliance Program, the report captures the team's assessment of your use of the feedback from your last Systems Appraisal and your overall commitment to continuous improvement.

I hope you will read and study the report carefully, because the team invested heavily in preparing for and conducting this visit, and its perceptions and advice are valuable to your institution. Please consider distributing it widely throughout your institution, since its positive feedback can be helpful in strengthening and broadening involvement in your quality improvement efforts.

A copy of the report will be read and analyzed by the AQIP Panel that reviews institutions for Reaffirmation of Accreditation at the time your review is scheduled. Prior to that review, we will send you a listing of the materials the Panel will consider, and give you an opportunity to update or supplement them if you so desire.

Since we are still working to develop a permanent Quality Checkup process that delivers real value to the institutions participating in AQIP, we would welcome any comments, cautions, or advice you wish to share with us, either about the visit itself, the report, or any related topic.

Sincerely,

Stephen D. Spangehl
Director, Academic Quality Improvement Program
