

## RSS Feeds

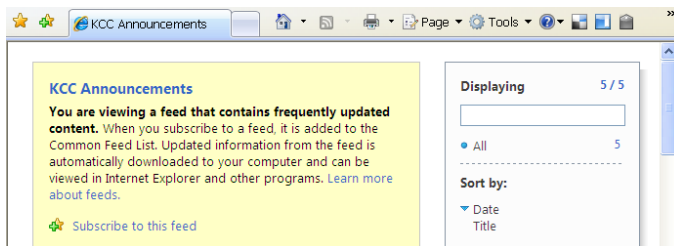

Subscribe to RSS feeds on KCC's website using your favorite feed reader or mobile device. Here are a few ways to subscribe:

### Via Internet Explorer:

Click on the KCC Announcements or KCC Events option under the RSS icon on the toolbar

The RSS feed page will be displayed.

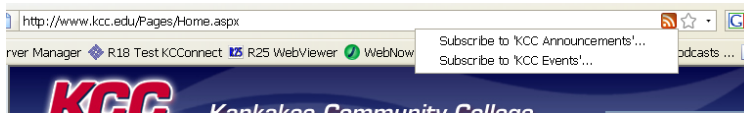

To use IE's feed reader, click on the **Subscribe to this feed** link.

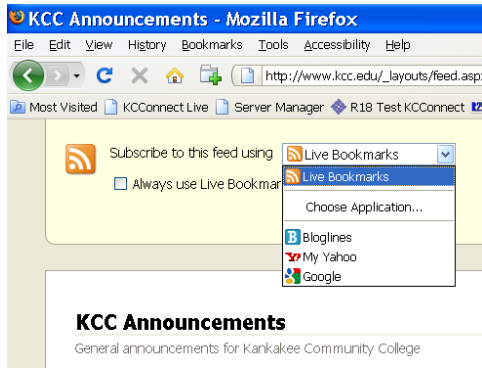

### Via Firefox:

Click on the RSS icon on the address bar:

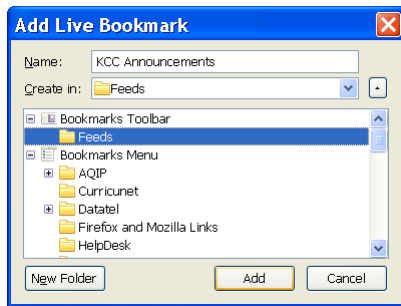

Select the feed to which you want to subscribe. The feed page will be displayed. Choose the feed reader you'd like to use.

For Firefox's **Live Bookmarks**:

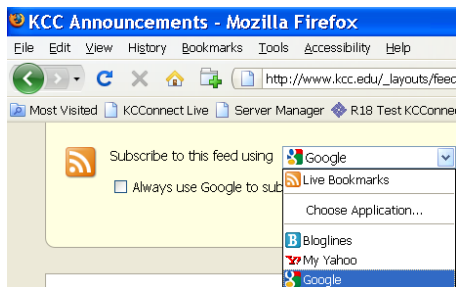

Click **Subscribe Now** (You may want to organize your feeds by creating a separate folder for them)

Click **Add**

Via **Google Reader** (you must have a Google login)

Choose **Google**

Click **Subscribe Now** – a Google page will be displayed

Click on the **Add to Google Reader** button.

To subscribe via your mobile device, there are many options. Search the web for feed readers for your particular device and follow the directions on the pertinent website.
