

Welcome back effort includes info tables

All employees are invited to work at one of the "Welcome Back" information tables at the start of the spring semester.

Tables will be in three locations: the Workforce Development Center first floor entrance lobby, the "T" intersection of the L and D buildings on the third floor, and the third floor entrance to the Arts and Sciences Building.

Workers are still needed for these shifts:

Monday, Jan. 14: 7:30 to 9:30 a.m. and 4:30 to 6:30 p.m.

Tuesday, Jan. 15: 7:30 to 9:30 a.m. and 4:30 to 6:30 p.m.

Please e-mail Susan LaMore at slamore@kcc.edu to volunteer and indicate which shift and which location you'd prefer.

Portion of roadway to close

The college will close the roadway directly south of the Workforce Development Center beginning on Jan. 14.

The road closure will help ensure the safety of pedestrian traffic in that area. In the future, this new plaza area created by redirecting traffic may have a number of improvements, said John Haley, director of the Physical Plant Department.

In the interim, the road will remain closed.

The drawing to the side of this article shows the location of the area which will be closed.

Weigh In . . . The results are in!

Submitted by Michelle Driscoll, contest coordinator

The Weigh In . . . Weight Off contest started with 13 teams and 68 employees.

Unfortunately, we lost the brown team during final weigh in. Three employees also needed to end their participation, though their teams still had enough players to remain in the contest.

In the end, 12 teams and 61 employees were part of the results.

As a group, we lost a total of 406 pounds or 3.28% of our body mass!

The team results, team name and percentage weight lost by that team:

12th place, Teal team, "Moving Forward," lost 1.08%

11th place, Red team, aka "Downsizers," lost 1.69%

10th place, Green team, aka "D'KOALA," lost 1.79%

9th place, Yellow team, aka "M & M Hotties," lost 1.99%

8th place, Purple team, aka "Misfits," lost 2.285%

7th place, Pink Team, aka "Melt-a-Weights," lost 2.288%

6th place, Grey team, aka "Pound Puppies Doghouse," lost 2.52%

5th place, White team, aka "Six Pack," lost 2.79%

4th place, Burgundy team, aka "Jelly Bellies," lost 2.84%

3rd place, Orange team, aka "Waisting Away," lost 5.85%

The top two teams accounted for 38% of the total weight loss during the contest. It literally came down to a couple of pounds.

2nd place, Blue team, aka "Weigh This," lost 6.93%
1st place, Black team, aka "LAW 120," lost 7.04%
The first place team members won \$100 apiece. The individuals who lost the highest percentages:
3rd place, Margaret Cooper
2nd place, Michelle Driscoll
1st place, Bob Ling
As first place winner in the individual contest, Bob received a sweat shirt from the KCC bookstore.

Radio stations award Free Ride scholarship

In partnership with the KCC Foundation, WVLI "The Valley" 95.1 FM, WIVR "River Country" 101.7 FM, and WFAV "The Valley" 103.7 FM are proud to announce the winner of the 2007 "Free Ride" Scholarship to KCC.

The winning student, Jared Richey of Bradley, is enrolled in the spring semester at KCC and plans to become a teacher.

Contestants/applicants were asked to submit, in 125 words or less, why they would like a "Free Ride" at KCC. Richey will receive a KCC Foundation scholarship for up to \$2,400 in tuition, fees and books during the 2008 academic year.

The KCC Foundation annually awards more than \$400,000 in scholarships. The Win a "Free Ride" at KCC scholarship was established in 2005 and is co-funded by Milner Broadcasting--local owner of radio stations WVLI, WIVR WFAV--and the KCC Foundation.

Thanks for support

Cory Lewis would like to thank everyone for all of the very generous donations following the fire which destroyed the home where he and his fiancée, Ally, lived.

He would also like to say that, with everyone's help, he thinks they have just about what they need to get back on their feet. Once again, Cory said they are overwhelmed by the generosity that has been shown to them, noting that they haven't lived in this area for very long, but everyone has made them feel like they have been here forever.

Everyone has been wonderful, Cory said, and he can't say thanks enough.

Cory is an assistant professor in the Humanities and Social Sciences division.

Equal access -- Disagreeing with an accommodation

Submitted by Sherry Kinzler, coordinator/interpreter for Office of Disability Services

If a faculty member disagrees with the academic accommodations, please discuss the disagreement with the service provider.

The student should continue to receive the accommodations. An instructor may not forbid a student's use of an approved accommodation which would limit his/her participation in the school program, e.g. use of tape recorders in the classroom or dog guides in campus buildings.
