Requesting Items not available in the KCC Learning Resource Center:

If an item is not owned by KCC and is not available online in full text (journal article), a library user has the option of requesting the material through our interlibrary loan service. Databases available through the interlibrary loan service include I-Share and WorldCat. I-Share includes the items from 76 colleges throughout Illinois. WorldCat includes items from libraries nationwide.

I-Share

- If an item was not available in the KCC Online Catalog, the following screen will display. Click on “Repeat search in the I-Share Catalog.”

After the search results are displayed, select the item you would like to request. The following screen will display:

**Iceland: land of the sagas**

- **Main Author:** Roberts, David
- **Other Names:** Krakauer, Jon.
- **Published:** New York: Villard [1998]
- **Edition:** 1st Villard Books ed.
- **Topical:** Sagas.
- **Regions:** Iceland - Description and travel.
- **Tags:** No Tags. Be the first to tag this record!

**Click on Request this item.**

You may request from a different library on the list by clicking on location and availability.
• If you have not already logged in to the I-Share catalog, you will be asked to login/create a new account, and you will need to click on Request this item again.
• Click on Choose Pick-Up Location.
• The default options are set to pick up at KCC at the Circulation Desk. If you would like to pick it up at another school, you may choose that location from the drop down menu. When these options are as you would like them, click on the Request button.

You may also access the I-Share catalog directly at https://i-share.carli.illinois.edu/all/vf/ or from the KCC Catalog by clicking on the I-Share Catalog link in the top bar.

**WorldCat**

If an item is not found in KCC’s catalog or in the I-Share catalog, users can search for and request items using WorldCat, available by clicking on Books, under the Find menu on the LRC webpage, or directly at www.firstsearch.org. The authorization and password for this catalog are available in the LRC or by calling the circulation desk – (815) 802-8400.

• Click on the Databases tab, then select WorldCat.
• Search for your item.
• Select the ILL button and fill in the appropriate information. This will route your request to a staff member for processing.
• Once the item is received in the LRC the requestor is contacted by phone or email.
