KCC's Library

The library's collection at KCC includes 42,000 volumes of curriculum-based books, articles and pamphlets, and 200 periodical subscriptions. CDs, DVDs and VHS tapes are available. The library has a public online catalog and access to library holdings worldwide. Interlibrary loans offer students and faculty borrowing privileges from remote libraries throughout Illinois and the world. Handouts explaining how to use the library's online catalog and databases, as well as suggestions for general research, are available at the circulation desk.

Library Cards

Current KCC Photo ID cards are required to check out books and for other transactions in the library. The barcode number on the library card also works as a password for some electronic resources that can be accessed off campus. KCC students, faculty, and staff receive free KCC photo ID cards upon presentation of a state-issued photo ID. Students also must provide proof of enrollment in the form of a registration statement and should return each semester they attend to have their ID validated. Students whose cards have not been validated for the current semester will not be permitted to check out materials.

Online Catalog

To access the KCC Online Catalog, go to <http://www.kcc.edu> - use the "Library" link under "Resources," then select "KCC Online Catalog" from the menu on the left. Searches may be conducted by "Author," "Title," "Any Word Anywhere (Keyword)," or "Advanced Search." Request books or manage your account using the 14-digit ID and your last name to log in.

Interlibrary Loan

Faculty, staff, and credit division students who are currently enrolled are eligible to borrow materials from 76 libraries in Illinois at no cost. The I-Share catalog can be accessed by clicking on the "I-Share" tab on the KCC Online Catalog. Using the "request this title" link, materials can be sent for local pickup at the Circulation Desk. The "My account" function can be used to not only check the status of loaned materials, but also to renew them. When borrowing materials from other libraries, patrons are subject to the lending library's borrowing terms and conditions. For additional information on borrowing materials from other libraries, please call the LRC at (815) 802-8400.

Public Use

Residents of district 520 are eligible to purchase a community patron card for \$5 which allows them to check out books and use local resources. Interlibrary loan services will be considered on a case-by-case basis. Contact the library for additional information.

Sustainability Center

The Sustainability Center at KCC is on the main floor of the Learning Resource Center. It provides information and assistance to students, homeowners, business and commercial interests. One mission of the center is to serve as a one-stop shop for everything sustainable. The Sustainability Center offers electronic information and publications related to energy conservation, energy efficiency and renewable energy solutions. KCC received initial funding from the Illinois Department of Commerce and Economic Opportunity, Bureau of Energy and Recycling for the Sustainability Center.

Online Databases

KCC patrons are also able to use a variety of databases to search a plethora of electronic versions of articles from magazines, journals and newspapers. These databases can be found on the library's Web page by clicking on "E-Journals and Newspapers." Most of these databases require you to enter the barcode from your photo ID for authentication.

TRiO SSS

Students in the TRiO Student Support Services (TRiO SSS) program can check out laptops, graphing calculators and tape recorders. Students must present a valid KCC ID with a TRiO SSS sticker for the current semester. Students should also be prepared to stay to fill out paper work – both when checking out *and* returning. Item checkout time is one week. A waiting list is available and laptops can be reserved for a specific date.

Faculty Equipment

Laptops, iPods and remote microphones are available for **faculty** checkout in the LRC. These items are checked out for two weeks and can be renewed one time. Remote microphones are checked out for one week.

Library Test Prep Books

- GED
- ESL/TOEFL
- Civil Service Exam

Prospective Students
